Team ID :	PNT2022TMID27580
Project Title :	Smart Lender - Applicant Credibility Prediction for Loan Approval
DATE:	01/11/2022

Minutes of meeting -Sprint 2

1.Recapped our sprint 1 processes and started the scrum of sprint 2.
2.Discussed in detail about model building.
3.Gone through various algorithms and selected the
- KNN model
- Random Forest model
- Xgboost model
- Decision Tree model

4. Separated the tasks among our group members.
5.Built the above mentioned models
6.Compared the models and selected the Random Forest model
7.Evaluated the performance of the random forest model and saved the model
8.Extracted the pkl file

Meetings held on date:

31/10/2022-Meeting 1
2/11/2022-Meeting 2
4/11/2022-Meeting 3
